

International Congress on Endometriosis

Theme: Fighting the foes - Endometriosis and Fibroid

March 8-10, 2019

BM Birla Auditorium, Jaipur and Soni Hospital, Jaipur

Organised by: ENDOMETRIOSIS SOCIETY INDIA

Supported by: Jaipur ObGyn Society

CALL FOR FREE COMMUNICATIONS

Why you should present your research or novel activity in ICE 2019

In International Congress on Endometriosis (ICE 2019), we expect some 600 International and National Delegates. More than thirty International and hundred National experts on Endometriosis and Fibroids have provisionally consented to participate as faculty. We believe letting go this opportunity to showcase your scientific contribution will not be wise.

This conference has been endorsed by **World Endometriosis Society**. The City of Jaipur itself is majestic and very well connected, the venue is picturesque, and the Rajasthani menu of lunch and dinner are tempting. What more do you want?

What, in terms of free communications, is unique in this Congress

Unlike most of the meetings, in ICE 2019, free communications are scheduled in a manner to ensure that the presenter certainly gets a good number of audiences.

The options to present your paper

1. **Oral Communication:** Original Study **OR** Case Presentation: 8 min followed by 2 min discussion
2. **Video Demonstration:** Case Presentation of 8 min followed by 2 min discussion

The Topics of your paper

All presentations (Oral/Video) should strictly be related to endometriosis or adenomyosis or fibroid.

How you can submit your presentation and what is the timeline

All abstracts should be submitted **ONLY** through e-mail to endosocindia@gmail.com in the prescribed format below. **Hard copy will not be entertained**. The deadline of abstract submission is 14th of January, 2019 and Abstract selection will be completed by of 21st of January, 2019

What are the Conditions to present your paper

Registration for the Congress is mandatory for the Presenting Author.

Abstract Selection will be completed well before 31st January so that presenters may avail the early bird rate.

Registration includes Conference kit, three lunches and welcome dinner on March 8, 2019 at main venue.

If you are a PGT, you may avail the relevant rate with proof from your organisation.

No accommodation or conveyance will be offered for presenting paper.
